

**PART C: PROJECT AGREEMENT & SCHEDULES**

**10. SCHEDULE 10:**  
**EQUIPMENT LIST**

**Schedule 10 - Part 1 - HWRC'S Transferred Equipment**

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	Alconbury	CESS PITS	Infrastructure - Sealed cess pit with collar and inspection chamber.	1
1st October 2009	Alconbury	DRAINAGE	Infrastructure - Drains	23
1st October 2009	Alconbury	DRAINAGE	Infrastructure - Drain Covers	7
1st October 2009	Alconbury	HARD STANDING	Infrastructure - Approximately 726.52m <sup>2</sup> - Tarmac roadway.	N/A
1st October 2009	Alconbury	HARD STANDING	Infrastructure - Approx 20 x 6.5m - Concrete paving underlying hazardous materials and fridges storage area.	N/A
1st October 2009	Alconbury	HARD STANDING	Infrastructure - Approx 1330.8m <sup>2</sup> - Sealed block paving area.	N/A
1st October 2009	Alconbury	HARD STANDING	Infrastructure - Approx 5 x 1m - Small concrete area	N/A
1st October 2009	Alconbury	INTERCEPTORS	3 chamber interceptor in good working order and recently cleaned. Annual skimming undertaken.	1
1st October 2009	Alconbury	PERIMETER FENCING	Infrastructure - Approx 270m - Mesh fencing with 3 rows of barbed wire on top.	
1st October 2009	Alconbury	PORTAKABINS	Portakabin incorporating shower and toilet, sink, lighting and heating.	1
1st October 2009	Alconbury	ROAD MARKINGS	Infrastructure - Ramp markings x 8, directional arrows x 8, central double white line along roadway, white parking lines x 2, speed hump markings x 4	N/A
1st October 2009	Alconbury	SPEED HUMPS	Infrastructure - 4 x raised tarmac humps and two plastic speed ramps	6
1st October 2009	Alconbury	WATER SUPPLY (Ext)	Infrastructure - Outside water point and tap. Hose affixed.	1
1st October 2009	Alconbury	OFFICE & EQUIPMENT	Fixtures & Fittings, e.g. sinks, etc	
1st October 2009	Alconbury	INFORMATIVE & INSTRUCTIONAL SIGNS	Signage - Various	20
1st October 2009	Alconbury	SKIP SIGNS	Signage - Various	13
1st October 2009	Alconbury	TRAFFIC SIGNS	Signage - Various	16
1st October 2009	Alconbury	WARNING SIGNS	Signage - Various	4
1st October 2009	Alconbury	CAGES	Waste Containers, etc - Cages - LPG cage with padlock. Galvanised steel.	1
1st October 2009	Alconbury	CHEMVAULT	Waste containers, etc - Chemvault - Steel lidded unit used for the storage of batteries.	0
1st October 2009	Alconbury	GANTRIES	Waste containers, etc - Gantries - 2 x long, 2 x short railed gantries.	4
1st October 2009	Alconbury	LOCK & LEAVE CONTAINERS	Waste containers - Lock & Leave Containers - 6 x 2.4m Metal storage lockers used for storing valuables.	3

Was disposed of as was unfit for purpose.

1st October 2009	Alconbury	OIL TANKS	Waste containers, etc - Oil tanks - Steel double skinned oil tank with plaques attached indicating no smoking and waste oil.	1
1st October 2009	Alconbury	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	3
1st October 2009	Alconbury	FUSE BOXES		1
1st October 2009	Alconbury	KERBING	3ft length kerb stones	297
1st October 2009	Alconbury	KERBING	2ft length kerb stones	1160
1st October 2009	Alconbury	PENSTOCK	Infrastructure - Basic plastic gate to isolate interceptor from drainage ditch.	1
1st October 2009	Alconbury	PREFAB CONCRETE BLOCKS	prefab concrete blocks skirting storage bays	31
1st October 2009	Alconbury	SHELTER	Brick wall with metal frame and perspex upper sections. Corrugated roofing	1
1st October 2009	Alconbury	STEPS	Steps for old portakabin, redundant	1
1st October 2009	Alconbury	TRAFFIC GATES	Mesh fencing	2
1st October 2009	Alconbury	SIGN POLES	Standard sign poles used for mounted entrance and traffic signs	23
1st October 2009	Alconbury	CLOTHING BANK	10ft lock and leave	1

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	Bluntisham	BOLLARDS	Infrastructure - Black painted bollards with white stripes. Located to prevent impact damage to platforms. One bollard located against wall (red). Purpose unknown.	28
1st October 2009	Bluntisham	CESS PITS	Infrastructure - Type Unknown	1
1st October 2009	Bluntisham	DRAINAGE	Infrastructure - Drains	11
1st October 2009	Bluntisham	ELECTRICAL BOXES (EXT)	Infrastructure - Metallic box, sealed and locked. Near to lorry entrance.	1
1st October 2009	Bluntisham	FIXED PLATFORMS	Infrastructure - Mezzanine platforms with side railings, painted steel, providing skip access from upper level	14
1st October 2009	Bluntisham	FLOOD LIGHTING	Infrastructure - Flood lighting comprising of 2 twins, 1 twin with a spot, 11 single lights and 4 single lights with a spot. All reportedly in working order.	18
1st October 2009	Bluntisham	GATE VALUE	Infrastructure - Isolation value	1
1st October 2009	Bluntisham	HARD STANDING	Infrastructure - Approx 4736m <sup>2</sup> Tarmac roadway / areas.	N/A
1st October 2009	Bluntisham	HARD STANDING	Infrastructure - Approx 712.5m <sup>2</sup> - Concrete pads for waste storage areas and RORO skips on lower level.	N/A
1st October 2009	Bluntisham	HARD STANDING	Infrastructure - Approx 636m <sup>2</sup> - Sealed block weave paving for storage of recycables containers.	N/A
1st October 2009	Bluntisham	INTERCEPTORS	Infrastructure - 3 chamber interceptor in good working order and recently cleaned. Annual skimming undertaken.	1
1st October 2009	Bluntisham	KERBING	Infrastructure - 473m - Site boundary kerbing. Standard kerb stones around perimeter. (Single Width)	N/A
1st October 2009	Bluntisham	PEDESTRIAN GATES	Infrastructure - Located to the rear doesn't appear to be in use, positioned behind a lock and leave container. The gate is constructed of the same steel palisade fencing used on the remainder of the perimeter.	1
1st October 2009	Bluntisham	PERIMETER FENCING	Infrastructure - 345m - Steel palisade fencing	N/A
1st October 2009	Bluntisham	PORTAKABINS	Infrastructure - 30 x 10 - 4 rooms. Used as main office, complete with toilet and shower.	1
1st October 2009	Bluntisham	PUMPS	Infrastructure - Housed within metal painted box with Yale lock.	1
1st October 2009	Bluntisham	RAILINGS	Infrastructure - 280m - Yellow railings stretching from lorry site entrance to end of skip line (lower level)	N/A
1st October 2009	Bluntisham	SPEED HUMPS	Infrastructure - Rasied tarmac humps for traffic control.	5

1st October 2009	Bluntisham	TRAFFIC GATES	Infrastructure - Steel palisade gates. Fairly new. Recently repaired following a break in.	3
1st October 2009	Bluntisham	WATER SUPPLY (ext)	Infrastructure - Outside tap mounted on wooden post to be used for damping down site when necessary	1
1st October 2009	Bluntisham	ROAD SALT CONTAINER	Miscellaneous - 336L - Yellow water proof containers used for the storage of road salts.	3
1st October 2009	Bluntisham	INFORMATIVE & INSTRUCTIONAL SIGNS	Signage - Various	14
1st October 2009	Bluntisham	OFFICE & EQUIPMENT	Fixtures & Fittings - Various	8
1st October 2009	Bluntisham	SKIP SIGNS	Signage - Various	19
1st October 2009	Bluntisham	TRAFFIC SIGNS	Signage - Various	14
1st October 2009	Bluntisham	WARNING SIGNS	Signage - Various	14
1st October 2009	Bluntisham	CAGES	Waste containers, etc - Metal cages provided by the council for the storage of LPG cylinders. Padlocked.	1
1st October 2009	Bluntisham	CAGES	Waste containers, etc - Metal cages provided by the council for the storage of LPG cylinders. Padlocked. Will be moved to Thriplow when Thriplow is re-developed	1
1st October 2009	Bluntisham	CHEMVAULT	Waste containers, etc - Steel lidded and sealed container for use in storing hazardous materials. Lockable.	1
1st October 2009	Bluntisham	GANTRIES	Waste containers, etc - Wheeled gantries (short) with rails.	4
1st October 2009	Bluntisham	LOCK AND LEAVE CONTAINERS	Waste containers, etc - 6 x 2.4m - 20ft containers used for storing items of value.	5
1st October 2009	Bluntisham	OIL TANKS	Waste containers, etc - Double skinned painted steel tank with filter mesh to ensure solids do not enter the tank.	1
1st October 2009	Bluntisham	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	2
1st October 2009	Bluntisham	DRAIN COVERS		9
1st October 2009	Bluntisham	PREFAB CONCRETE BLOCKS	Storage area for domestic appliances	41
1st October 2009	Bluntisham	ROAD MARKINGS	Traffic road markings including arrows to indicate direction of flow and 4 marked parking bays. Yellow line marking skip positioning and accompanying hatch markings.	
1st October 2009	Bluntisham	STEPS	Set of 2 metal steps designed for portakabin	1
1st October 2009	Bluntisham	SIGN POLES	Standard poles for supporting traffic signs	24

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	Grunty Fen	CESS PITS	Infrastructure - Sealed cess pit with collar and inspection chamber.	1
1st October 2009	Grunty Fen	DRAINAGE	Infrastructure - Drainage tank. Steel, sealed. Used for storing site water prior to discharge / removal.	1
1st October 2009	Grunty Fen	DRAINAGE	Infrastructure - Approx site area 2000m <sup>2</sup> - Drains.	1
1st October 2009	Grunty Fen	HARD STANDING	Infrastructure - Approx 2000m <sup>2</sup> - Site laid to tarmac.	N/A
1st October 2009	Grunty Fen	PEDESTRIAN GATES	Infrastructure - Chain link gates.	1
1st October 2009	Grunty Fen	PERIMETER FENCING	Infrastructure - 157m - Concrete posts with chain link fencing. Runs around perimeter although HWRC site is only responsible for fencing along the western, northern boundaries and the entrance gates. The landfill site takes responsibility for the Eastern most boundary of the site.	N/A
1st October 2009	Grunty Fen	PORTAKABINS	Infrastructure - Office building, complete with shower and toilet facilities. 4 rooms.	1
1st October 2009	Grunty Fen	PUMPS	Infrastructure - Pump for drainage system, installed Jan/Feb 04, with new pipework.	1
1st October 2009	Grunty Fen	ROAD MARKINGS	Infrastructure - White lining of roadway and Skip line markings	N/A
1st October 2009	Grunty Fen	STEEL FIXINGS	Infrastructure - Approx 2.5m long - Floor mounted steel fixings / wheel stops to protect drainage pipework from skip movements.	8
1st October 2009	Grunty Fen	STEPS	Infrastructure - 3 steps with railings to allow entry to the portakabin. Came with Cabin. Metal.	1
1st October 2009	Grunty Fen	STEPS	Infrastructure - Concrete step up to oil tank. Covered with rubber mat.	1
1st October 2009	Grunty Fen	TRAFFIC GATES	Infrastructure - Chain link gates.	1
1st October 2009	Grunty Fen	ROAD SALT CONTAINER	Miscellaneous - 336l - Yellow lidded road salt container. Plastic.	1
1st October 2009	Grunty Fen	INFORMATIVE & INSTRUCTIVE SIGNS	Signage - Various	25
1st October 2009	Grunty Fen	SKIP SIGNS	Signage - Various	8
1st October 2009	Grunty Fen	TRAFFIC SIGNS	Signage - Various	5
1st October 2009	Grunty Fen	WARNING SIGNS	Signage - Various	10
1st October 2009	Grunty Fen	CAGES	Waste containers, etc - LPG cage with padlock. Galvanised steel.	1
1st October 2009	Grunty Fen	CHEMVAULT	Waste containers, etc - Portastor Chemvault. Steel lockable container used for the storage of batteries.	1
1st October 2009	Grunty Fen	LOCK & LEAVE CONTAINERS	Waste containers, etc - 20ft metal lock and leave container.	3

1st October 2009	Grunty Fen	LOCK & LEAVE CONTAINERS	Waste containers, etc - 20ft metal lock and leave container used for the storage of textiles.	0
1st October 2009	Grunty Fen	LOCK & LEAVE CONTAINERS	Waste containers, etc - Portastor lock and leave (metal).	0
1st October 2009	Grunty Fen	OIL TANKS	Waste containers, etc - Double skinned steel tank.	1
1st October 2009	Grunty Fen	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	3
1st October 2009	Grunty Fen	PREFAB CONCRETE BLOCKS	Blocks have been relocated since the changes at the site and have incurred some damage.	11
1st October 2009	Grunty Fen	SAND BAGS	Sand bagging up to about 1m in height around Northern and Western boundaries of the site.	N/A
1st October 2009	Grunty Fen	SIGN POLES	Standard sign poles used for mounted entrance and traffic signs.	3
1st October 2009	Grunty Fen	OFFICE & EQUIPMENT	Fixture & fittings - Various	8

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	March	CESS PITS	Infrastructure - Sealed cess pit with collar and inspection chamber.	1
1st October 2009	March	DRAINAGE	Infrastructure - Drains.	8
1st October 2009	March	FLOOD LIGHTING	Infrastructure	8
1st October 2009	March	HARD STANDING	Infrastructure - Approx 2457m <sup>2</sup> - Tarmac roadway. Skip lorry area also laid to tarmac.	N/A
1st October 2009	March	HARD STANDING	Infrastructure - Approx 210m <sup>2</sup> - Sealed block paving to centre of site. Also in skip storage areas at southern and northern sides of site.	N/A
1st October 2009	March	HARD STANDING	Infrastructure - Approx 1.2m x 0.75m - Concrete paving at rear gate.	N/A
1st October 2009	March	INTERCEPTORS	Infrastructure - 3 chamber interceptor in good working order. Annual skimming undertaken.	1
1st October 2009	March	KERBING	Infrastructure - 3ft long kerb stones - Kerbing around the perimeter. Also a few corner kerb stones in good condition.	Approx 185
1st October 2009	March	PEDESTRIAN GATES	Infrastructure - Steel palisade gate to rear of site, behind PK.	1
1st October 2009	March	PENSTOCK	Infrastructure - Basic plastic gate to isolate interceptor from drainage ditch.	1
1st October 2009	March	PERIMETER FENCING	Infrastructure - Approx 182m - Steel palisade fencing.	N/A
1st October 2009	March	PORTAKABINS	Infrastructure - Comprising of toilet and office area.	1
1st October 2009	March	CONCRETE BLOCKS	Infrastructure - Prefab concrete blocks skirting storage bays.	38
1st October 2009	March	ROAD MARKINGS	Infrastructure - No entry and give way markings; traffic direction arrows x 5; Solid white line marking roadway boundary; Dashed line marking parking zone; Speed humps arrow markings; IN lettering.	N/A
1st October 2009	March	SPEED HUMPS	Infrastructure - Raised tarmac speed humps.	4
1st October 2009	March	TRAFFIC GATES	Infrastructure - 3 sets of steel palisade gates.	3
1st October 2009	March	ROAD SALT CONTAINER	Miscellaneous - Yellow plastic container to keep road salts free from moisture.	2
1st October 2009	March	OFFICE & EQUIPMENT	Fixture & fittings - Various	6
1st October 2009	March	INFORMATIVE & INSTRUCTIVE SIGNS	Signage - Various	18
1st October 2009	March	SKIP SIGNS	Signage - Various	14
1st October 2009	March	TRAFFIC SIGNS	Signage - Various	13
1st October 2009	March	WARNING SIGNS	Signage - Various	3
1st October 2009	March	BATTERY BOXES	Waste containers, etc - Old battery box, used to store absorbent sacks.	1
1st October 2009	March	CAGES	Waste containers, etc - LPG cage with padlock. Galvanised steel.	1
1st October 2009	March	CHEMVAULT	Waste containers, etc - Steel painted lockable container. Lidded.	1
1st October 2009	March	LOCK & LEAVE CONTAINERS	Waste containers, etc - Metal storage lockers used for storing valuables.	4

1st October 2009	March	OIL TANKS	Waste containers, etc - Double skinned oil tank with mesh catch all.	1
1st October 2009	March	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	3
1st October 2009	March	SIGN POLES	Standard sign poles used for mounted entrance and traffic signs.	10
1st October 2009	March	SHOWER	Stand alone shower cubicle, plumbing etc	1

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	Milton	CESS PITS	Infrastructure - Accepts drainage from welfare areas.	1
1st October 2009	Milton	DRAINAGE	Infrastructure - Approx 505m <sup>2</sup> - Drains.	23
1st October 2009	Milton	DRAINAGE	Infrastructure - Drain covers	4
1st October 2009	Milton	ELECTRICAL BOXES (EXT)	Infrastructure - 1 Containing 3 sockets, the other providing power for PK1 & 2.	2
1st October 2009	Milton	FLOOD LIGHTING	Infrastructure - 4 x 2 bulb lights and 2 x 1 bulb lights at the Nth and Sth perimeter of the site.	6
1st October 2009	Milton	HARD STANDING	Infrastructure - Approx 460m <sup>2</sup> - Tarmac Roadway	N/A
1st October 2009	Milton	HARD STANDING	Infrastructure - Approx 4544.95m <sup>2</sup> - Steel reinforced concrete	N/A
1st October 2009	Milton	HEIGHT RESTRICTION BARRIERS	Infrastructure - Poles in place but height bar removed and placed on grassed area.	1
1st October 2009	Milton	INTERCEPTORS	Infrastructure - 3 chamber interceptor in good working order and recently cleaned. Annual skimming undertaken.	1
1st October 2009	Milton	KERBING	Infrastructure - Kerbing for haz compound. 2 kerb stones wide area bunding oil stores. Stones sunken into concrete hard standing	N/A
1st October 2009	Milton	KERBING	Infrastructure - Single width kerbing around entire site.	N/A
1st October 2009	Milton	PEDESTRIAN GATES	Infrastructure - 2 x 1.8m - Galvanized chain link gate.	1
1st October 2009	Milton	PERIMETER FENCING	Infrastructure - Galvanized chain link	1
1st October 2009	Milton	PORTAKABINS	Infrastructure - Office building, complete with shower and toilet facilities. 4 rooms. On brick stilts.	1
1st October 2009	Milton	PREFAB CONCRETE BLOCKS	Infrastructure - Used to create segregation areas for electronic goods and bordering site perimeter around new office. (west end)	77
1st October 2009	Milton	ROAD MARKINGS	Infrastructure - Arrows marking traffic flow and marked spaces for parking. Yellow line marking skip positioning, south side of site. Ramp lettering. Intermittent lining in white. Extra yellow lines for rubbish skip bays. Triangle in white thermoplastic.	N/A
1st October 2009	Milton	SPEED HUMPS	Infrastructure - Raised tarmac	4
1st October 2009	Milton	STEPS	Infrastructure - 2 level steps constructed for access to PK2 2 course brick and paved.	1
1st October 2009	Milton	TRAFFIC GATES	Infrastructure - Galvanized chain link gates.	3
1st October 2009	Milton	WATER SUPPLY (Ext)	Infrastructure - Outside tap mounted on wooden post to be used for damping down site when necessary.	1
1st October 2009	Milton	BARRIER	Miscellaneous - Metal framed barriers with high vis banding used for restricting public access to skips.	0

1st October 2009	Milton	ROAD SALT CONTAINER	Miscellaneous - 336l - Plastic lidded containers for the storage of road salts.	3
1st October 2009	Milton	INFORMATIVE & INSTRUCTIVE	Signage - Various	26
1st October 2009	Milton	SKIP SIGNS	Signage - Various	25
1st October 2009	Milton	TRAFFIC SIGNS	Signage - Various	17
1st October 2009	Milton	WARNING SIGNS	Signage - Various	7
1st October 2009	Milton	BATTERY BOXES	Dual compartment battery storage boxes. Wooden and containing drainage holes. Not in use. No padlocks.	0
1st October 2009	Milton	CAGES	Metal cages used for storing LPG cylinders, with padlocks.	2
1st October 2009	Milton	CHEMVAULT	Metal locked container used for haz material storage. (Portastor)	1
1st October 2009	Milton	LOCK & LEAVE CONTAINERS	Used specifically for electrical goods. Steel container. 12M X 2.4 M	1
1st October 2009	Milton	LOCK & LEAVE CONTAINERS	Variously used for valued goods. 6M X 2.4 M	5
1st October 2009	Milton	OIL TANKS	Double skinned oil tank with mesh catch all.	1
1st October 2009	Milton	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	3
1st October 2009	Milton	FUSE BOXES		1
1st October 2009	Milton	SIGN POLES	Poles for signage at entrance to site	12

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	St Neots	DRAINAGE	Infrastructure - Approx 2418m <sup>2</sup> - Drains.	8
1st October 2009	St Neots	DRAINAGE	Infrastructure - Metal drain covers.	7
1st October 2009	St Neots	ELECTRICAL BOXES (EXT)	Infrastructure - Located at the northern perimeter of the site, the box is galvanized metal with inbuilt lock.	1
1st October 2009	St Neots	HARD STANDING	Infrastructure - 18m x 10m, 22m x 7.7m, 15m x 7.5m - Concrete pads for waste storage areas. Pavement quality concrete min 100mm thick with 2002 additions min 250mm thick	N/A
1st October 2009	St Neots	HARD STANDING	Infrastructure - Approx 1956.1m <sup>2</sup> - Tarmac roadway.	N/A
1st October 2009	St Neots	INTERCEPTORS	Infrastructure - SPEL series 100, Model 102 with 360 litre silt capacity. Class 1 separator.	1
1st October 2009	St Neots	KERBING	Infrastructure - Standard 3ft kerb stones around the entire perimeter (excluding end area not currently available for use)	N/A
1st October 2009	St Neots	PEDESTRIAN GATES	Infrastructure - Steel framed with chain link.	1
1st October 2009	St Neots	PENSTOCK	Infrastructure - Isolates interceptor, preventing discharge.	1
1st October 2009	St Neots	PERIMETER FENCING	Infrastructure - Approx 162m palisade fencing - Steel palisade fencing (2.4m) along the rear boundary (east) with planking (approx 250) to obscure vision into the site. Along the Nth perimeter of the site stands a boundary wall (2.5m) The southern boundary is marked by steel palisade fencing, with some standard chain link fencing still in place as this meets the rear boundary.	N/A
1st October 2009	St Neots	PORTAKABINS	Infrastructure - 20ft complete with shower and toilet facilities and in good condition.	1
1st October 2009	St Neots	ROAD MARKINGS	Infrastructure - Arrows on speed hump. Centre road line. Centre road markings. Give way lines. Parking spaces (19) and yellow cross hatching at the centre of the site.	N/A
1st October 2009	St Neots	SPEED HUMPS	Infrastructure - Raised tarmac humps for traffic control, with markings indicating direction of travel.	1
1st October 2009	St Neots	TRAFFIC GATES	Infrastructure - Set of entrance gates. Steel, topped with barbed wire, served by 2 padlocks.	1
1st October 2009	St Neots	WATER SUPPLY (Ext)	Infrastructure - Outside tap in serviceable condition. Used for damping down etc.	1
1st October 2009	St Neots	ROAD SALT CONTAINER	Miscellaneous - 336l - Yellow lidded road salt container.	1
1st October 2009	St Neots	OFFICE & EQUIPMENT	Fixture & fittings - Various	9
1st October 2009	St Neots	INFORMATIVE & INSTRUCTIVE SIGNS	Signage - Various	16
1st October 2009	St Neots	WARNING SIGNS	Signage - Various	3
1st October 2009	St Neots	SKIP SIGNS	Signage - Various	12
1st October 2009	St Neots	CAGES	Waste containers, etc - Metal cages used for storing LPG cylinders, with padlocks.	1
1st October 2009	St Neots	GANTRIES	Waste containers, etc - Metal wheeled gantries for skip access.	2
1st October 2009	St Neots	LOCK & LEAVE CONTAINERS	Waste containers, etc - Metal containers with concealed locks, for the containment of valuable or salvageable items.	1
1st October 2009	St Neots	LOCK & LEAVE CONTAINERS	Waste containers, etc - 20ft metal lock and leave container.	2

1st October 2009	St Neots	OIL TANKS	Waste containers, etc - Double skinned painted steel tank with filter mesh to ensure solids do not enter the tank.	1
1st October 2009	St Neots	STILLAGES	Polypropylene stillage for storing hazardous waste. Lidded with padlock.	3
1st October 2009	St Neots	TEXTILE BANK	20ft Lock and Leave with side access	1

Transfer Date	HWRC Site	Equipment	Description	Quantity
1st October 2009	Thriplow	CESS PITS	Infrastructure - Sealed cess pit with collar and inspection chamber.	1
1st October 2009	Thriplow	DRAINAGE	Infrastructure - Approx 3196m <sup>2</sup> - Drains.	25
1st October 2009	Thriplow	DRAINAGE	Infrastructure - Drain covers	6
1st October 2009	Thriplow	DRAINAGE	Infrastructure - Drainage channel grate (like aco drainage).	1
1st October 2009	Thriplow	ELECTRICAL BOXES (EXT)	Infrastructure	1
1st October 2009	Thriplow	FLOOD LIGHTING	Infrastructure	6
1st October 2009	Thriplow	GATE VALVE	Infrastructure	1
1st October 2009	Thriplow	HARD STANDING	Infrastructure - Approx 412.4m <sup>2</sup> - Concrete pads underlying oil tank, battery compound and recycling bins.	N/A
1st October 2009	Thriplow	HARD STANDING	Infrastructure - Approx 929.9m <sup>2</sup> - Tarmac roadway.	N/A
1st October 2009	Thriplow	HARD STANDING	Infrastructure - 1086.4m <sup>2</sup> - Sealed block paving for waste storage areas, central storage area.	N/A
1st October 2009	Thriplow	HEIGHT RESTRICTION BARRIERS	Infrastructure - Metal barrier supported by 2 uprights. Barrier no longer in place as it caused an obstruction to the collection of waste fridges / freezers.	1
1st October 2009	Thriplow	INTERCEPTORS	Infrastructure - 3 chamber interceptor in good working order and recently cleaned. Annual skimming undertaken.	1
1st October 2009	Thriplow	KERBING	Infrastructure - Standard 3ft kerb stones around the entire perimeter (excluding end area not currently available for use)	N/A
1st October 2009	Thriplow	KERBING	Infrastructure - Skirting concrete pads underlying oil / batteries and LPG storage area. Double thickness along sides of oil tank. Single kerbing around glass recycling bins.	N/A
1st October 2009	Thriplow	PERIMETER FENCING	Infrastructure - Approx 232m - Corrugated metal sheet fencing borders the site from the northern most tip to the southern most edge of the site. The remainder of the site is enclosed by chain link fencing.	N/A
1st October 2009	Thriplow	PORTAKABINS	Infrastructure - 30ft x 10ft - Portakabin installed Nov 04. Electrical checks conducted upon installation. Complete with shower and toilet.	1
