Hi Helen,

I can give you one price which will cover each location (as they're all relatively close together) at £ [REDACTED] per ton. The price is based on 20T loads however. Any load to be delivered below 20T will incur a £ [REDACTED] per ton excess haulage charge.

Regards

Paul Rogers

Subject: NT Stone quotation

Hi Paul,

My colleague, Steve Lindop, has just spoken to you about this stone quotation for a grant application we are making. If you could get some prices back to me this afternoon, I'd really appreciate it.

Please note the delivery locations in the last column (you can ignore the first two columns really - they're just references for our grant applications). I've given grid references rather than postcodes, as the postcodes for these locations cover very large areas.

Please also note that the last item is crushed gritstone rather than rough.

Moor	Job	Type	Tonnes required	Deliv
Ashop	Wood Moor grip blocking	8" rough gritstone	50	Fairbr
Park Hall	Hollingworth clough gully blocking	8" rough gritstone	110	Grou
Alport	Lady Clough gb	8" rough gritstone	40	A57, S
Ronksley	Lower Small Clough etc gb	8" rough gritstone	140	Wood
Derwent & Howden	Robin Hood Moss gb	8" rough gritstone	30	Strine
Derwent & Howden	Stainery Clough gb	8" rough gritstone	50	Wood
Derwent & Howden	Stainery Clough East gb	8" rough gritstone	60	Wood

Derwent & Howden	Pike Low track restoration	8" rough gritstone	30	Gillott

Many thanks for your help with this. If you have any queries, please get in touch.
